Faculty Handbook Policy C.180, SACs provide a mechanism to compensate faculty who are taking on extra administrative duties. SACs cannot be paid for work that is considered a normal part of faculty service workload, for example, serving on search committees or other assignments that are limited in scope and time, and for which special qualifications are not required. If this policy does not apply, refer to Faculty Handbook Policy C.140 or contact OFAS at faculty@unm.edu. The SAC must also be consistent with the school, college or program SAC guidelines which can be found here: <http://ofas.unm.edu/php/sacPolicies.php>
